Recd for filing

December 1. 1890. H. R.

Memorandum of an Agreement made and entered into this thirteenth day of August A.D. 1867, by and between H. B. Linderman Director of the Mint of the United States, and Morgan Orr & Co. both of the City of Philadelphia Witnesses that the said Morgan Orr & Co. hereby agree to construct & put up at the Mint the following machinery at the prices hereinafter stated:

Two (2) Coining Presses of the size, and similar in construction materials and finish, to Press Number six now in use at said Mint, for the sum of Eight Thousand Dollars each.

Six (6) Cutting Presses of the pattern and similar in all respects in material and finish to those made a few years since under the direction of Mr. Franklin Peale, at the rate or price of One Thousand Dollars each.

Two Single Saw Benches of the best material and approved pattern - similar to the machine made by them for the Branch Mint San Francisco - at Sixteen Hundred Dollars each. These Benches to be composed of steel, brass, wrought iron, and cast iron exclusively - using the draw plate of the old Benches.

Two Hand Lathes for the sum of Five Hundred Dollars each.

It is understood ~~and agreed~~ that the Machinery herein agreed to be made, is to be ~~made~~ <sup>composed</sup> of the best material & finished in complete order and be subject to the inspection and approval of the said Director or such experts as he may designate to examine the same.

H. B. Linderman  
Director U. S. Mint

Morgan Orr & Co.
